### 1967 STATISTICS

Thirty-five fire calls were answered during the past year. Fourteen were house fires, three were car fires and eighteen were grass fires. Firemen spent 575 hours fighting these fires. We spent 480 hours in training. Our equipment traveled 369 miles and the firemen traveled in their personal cars, 3,690 miles. We used 18,325 gallons of water.

Total value of damaged property approx. \$212,825.00

Total savings, approx. \$159,000.00

Total loss, approx. \$53,825.00
